### IF I COULD SAVE WINE IN A BOTTLE . . .

. . . *the first thing that I 'd like to do* is save it in large format bottles—like in 3Ls from **Bremer Family Winery** and **Haber Family Vineyards** and in a 6L from **Lamborn Family Vineyards**! Wine ages as air moves in and out of the cork, interacting with the flavor components of a wine. With large format bottles, you've got the same surface area for air transfer, that tiny cork, but a much larger volume of wine. The result is that these bottles age at half the speed of their 750ml counterparts.

#### **Take home tonight:**

- 1 – 3L 2011 Bremer Family Winery Howell Mountain Cabernet Sauvignon
- 1 – 3L 2018 Haber Family Vineyards Howell Mountain Cabernet Sauvignon
- 1 – 6L 2017 Lamborn Family Vineyards Howell Mountain Cabernet Sauvignon

### FUND A NEED: GREENHOUSE

Our Fund A Need request this year is a greenhouse for Howell Mountain Elementary School, located in a rural area of Napa County. Our students and families have been requesting more hands-on gardening experiences at school. We are requesting **\$26,000** to purchase a state-of-the-art greenhouse.

#### **Why a greenhouse?**

Gardening develops crucial STEM and analytical abilities and engages all five senses, as well as enhances fine motor development.

Gardening teaches responsibility and helps students learn how to plan and organize.

*Most importantly, gardening encourages healthy eating.*

With a greenhouse on site, our students will be able to participate in a farm-to-table program—as well as savoring the fruits and vegetables that they have planted and nurtured.

***With your generous support we can  
turn our dream into a reality!***
